#### MUTILATED VETERAN PLEADS FOR COMRADES

Relief for Disabled Men so Far Said to Be Startlingly

Technicalities Allowed to Interfere With Justice to War's Victims.

LONDON, March 12 - Seated in a the house of commons today, he had lost both legs in ac e fighting in France, Major member from Liverpool, ed as impassioned address in he pleaded for honesty on the the government in dealing officers and men of

he first debate on the pennession. One speaker very far, because only diers were being charged st for Ireatment in sani-though they had already MARRIAGE licenses were iss for treatment in santpald for this in their national insur-

Want Something to Do Main Cuher charges brought not training an they were trained that deers desired in fact. named to the whole government plan of training men in certain seniers, because only a limited num-ser of trailes could be taught and her of fractes could be taught and there was no assurance of subsequent employment when the govern-ness turned the men out. He be-leved that disabled men should be appendiced to reliable firms who. men had mastered trades would be only too glad to relain them in their positions as they w just what they could do, ed could gauge their wages accord

These men would have their pen-ons, which Major Cohen said be haped would be enough to enable them to live comfortably. But every man wanted something else, Millions of men had been wounded, and new they were back in civil life they wanted something other than think. wanted something and its effects. They wanted something to do, something to look forward to. The totally disabled men, he concluded, were worthy something other than being observed as incurables

Pension Unjustly Refused. During the debate it was brought out that an officer, leading his bat-tery from the line, had been thrown from his horse and killed. The application of his widow for a pension had been refused on the ground that he had not been killed in action.

Total pensions and allowances grapted to January 1 last was given as 1780 000 and to these fiveres.

as 1,780,000 and to these figures fresh awards numbering 15,000 to 10,000 were added weekly. The cur-20,500 were added weekly. The cur-rent financial year will show a total-pension expenditure approximating 1250,000,000, it was stated, while some 42,000 soldiers still under regiment by the medical corns.

#### BOTH SIDES REMAIN FIRM IN STRIKE OF RAIL CLERKS

termination not to give in. R. L. Winchell, regional director, issued a strike is illegal because the men failed to use the good offices of beard No. 2 in an effort to settle their grievances against A. P. cittarson, federal auditor of the road. "I Campbell, who handles the garbage, has been cancelled by the city commissioners following complaint that all places as far as now possible." Campbell had been dumping garbage on a farm near the town, The clerks walked out yesterday because Mr. Winchell's refusal to be under the satement added.

because Mr Winchell's refusal to public nuisance discharge offarson, whom the clerks assert was discriminating against them, and togight E. M. McGhee, local chairman of the clerks' brotherhood, said the men would remain est until Ottarson was removed.
